BEHIND THE SCENE ACTION

Garage Tours

There will be an opportunity to get right into the race weekend action by signing up for one of our popular garage tours. This is a great chance to see the race cars being prepared for the three races up close, and learn more about both them and the team.

Driver Q&A

Our Speedworks Corolla Racing drivers will head over to our hospitality unit for a Q&A, giving you the chance to ask the question you've always wanted to know the answer to from a Race Driver's perspective!

Experience the Grid

Join the team on the grid before one of the races to see the final preparations to the cars and check out the view that the drivers will have when the lights go out for the race!
